

# MASTER COMPOSTER TRAINING COURSE

**WHO:** Anyone who is interested in learning more about backyard composting.

**WHAT:** It is a comprehensive course that teaches backyard composting as a means of source reduction including lectures by guest speakers, videos and composting demonstrations.

**WHEN:** August 18, 19, 20, 2009  
Wednes. & Thurs. 5:30 pm - 9:30 pm  
August 22nd  
Saturday, 9 am - 5 pm

**WHY:** Recycles organic materials in the garden, provides valuable nutrients to plants, improves soil structure, helps save water, reduces amount of yard waste being sent to the landfill.

**WHERE:** College Station Conference Center, 1300 George Bush Dr.

**COST:** \$15.00

After training is complete, each Master Composter will then volunteer 20 hrs. teaching friends and neighbors how to compost and volunteering at different environmental events. Completion of these requirements will lead to certification as an official Master Composter!
