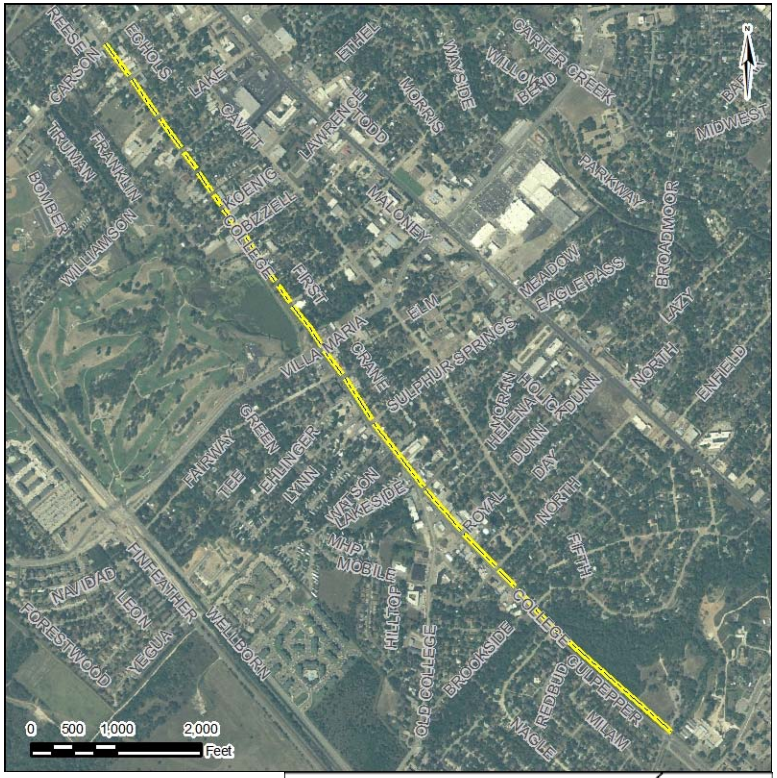
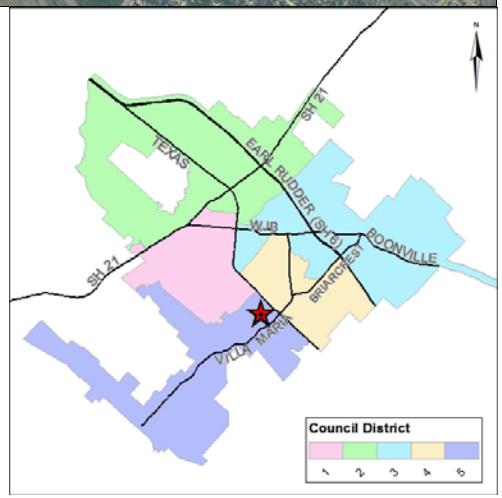
City of Bryan
2009- 2013 Capital Improvement Program
Project: SP_09_002

Project Name: S. College Sidewalk and Streetscaping Ph.2

Location: Carson to City Limits (Hensel Park area)

Project Year: 2011
CIP Project:
Council District: 1,5
Type / Source: Special Projects
CIP Ranking: 18





Description

This project includes the construction of at least 5 ft width sidewalks along South College (both sides) from Carson to the City Limits near Hensel Park. The project will look at possible installation of decretive street lights and some landscaping at strategic locations. The City will work with BTU and other overhead utilities to try to move or reduce the overhead clutter. Some right-of-way will need to be acquired for this project.

Justification

This is a significant corridor as it ties Texas A&M University to City of Bryan's Downtown and it also provides for an additional north-south transportation route. The City is working to improve non-vehicle transportation routes within the City and this corridor is ideal for such a route. The City is also interested in improving image and these improvements would satisfy that area of emphasis.
