

Project Name: Traffic Signal at Old College @ Wellborn

Project Year: 2013

Location: Old College @ Wellborn

CIP Project:

Council District: 5

Type / Source: Traffic Signals / MP
2007

CIP Ranking: 510

Description

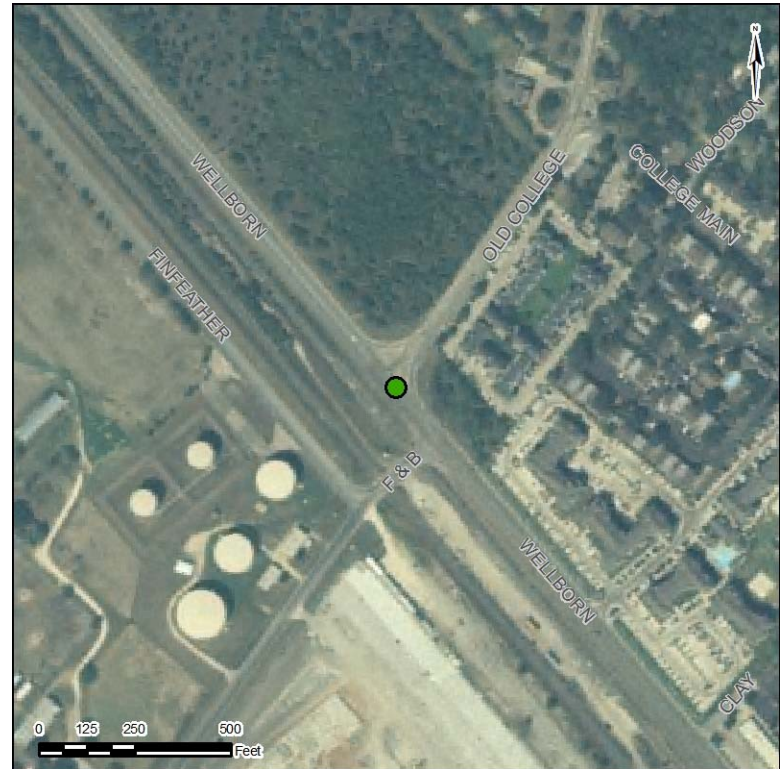

This project includes a refurbishment of items such as a new controller / cabinet, LED signals, pedestrian facilities/signals, detection, and confirmation lights.

Justification

This signal has been identified as a moderate priority for upgrades based on the age of certain signal hardware items. This location will also experience a growth in traffic since the new Villa Maria / Finfeather grade separation is now completed.
