

Project Name: Traffic Signal at Texas @ Villa Maria

Project Year: 2011

Location: Texas @ Villa Maria

CIP Project:

Council District: 5

Type / Source: Traffic Signals / MP
2007

CIP Ranking: 506

Description

This project includes refurbishment of wiring and detection, and the addition of pedestrian facilities / signals.

Justification

This signal has been identified as a moderate priority for upgrades because of its limited operational efficiency and lack of pedestrian amenities. Development and traffic / pedestrian activity in the vicinity of this intersection has grown significantly, thus placing a priority on these improvements.
